There's no place like home

Your home is the center of your life. It's where your kids grew up. And it's where they'll keep coming for family dinners and holiday get-togethers. Your home is where you're most comfortable. And it's where you plan to stay.

If you're like most people, going to a nursing home is something you don't want to do. But, did you know a long-term care insurance policy actually may help keep you out of a nursing home by allowing you to get the care you need right in your own home?

A long-term care insurance policy also may help alleviate your other concerns. For example:

- If you don't want your kids to have to worry about taking care of you, long-term care insurance can provide benefits to help pay for care so you can enjoy the time you and your kids spend together
- If you don't want to put your retirement savings at risk, long-term care insurance can help you protect your savings from the high cost of long-term care services so you can do all the things you planned to do in retirement
- If you don't want others making decisions about your care, long-term care insurance helps allow you to decide what's best for you so you get the care you need in the setting of your choice
- If you want to have something to leave your kids, long-term care insurance can help ensure you're not putting your kids' inheritance in jeopardy

Let me show you how a long-term care insurance policy from Mutual of Omaha Insurance Company can help you stay at home so you can continue living life on your own terms. Contact me today. I'll be happy to provide a no-cost assessment of your long-term care needs. And as always, there's no obligation to buy.

Sincerely,

[Agent Name]

An Independent Licensed Agent

P.S. Some people mistakenly believe long-term care insurance is too expensive. Many of our customers tell us it turned out to be more affordable than they thought. Be sure to ask me about a variety of premium allowances that can significantly lower your cost.
